

Olive Land O.

Aug 19, 1904.

My dear Sister Edith:

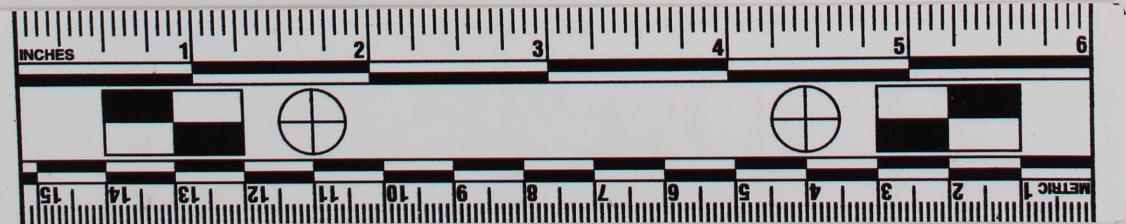

Pardon my delay
in sending congratulations
Sister, But perhaps
you can imagine my
joy when I read Y
Ma's letter telling
of our big Sister's marriage.
I wish you my dear
Sister all the happiness,
health, and prosperity

in writing this as I have used
the word ~~I~~ when ~~D~~ has requested
me to write for us both.

We have been moving and
we are not settled yet the
people we were with moved
and we came with them
here on Wednesday 12th
Ferry St.

I will now close hoping
to hear from you soon. If
Mabel ~~D~~ has not answered my
letter tell her to do so soon
please. Your loving Sister Jessie.
(Two kisses.)

in the world you
certainly deserve a
bountiful portion of same.
How I would like to
see you and your husband
making life in your
cottage & at least paint
a description of my
new Brother and both
of your pictures.

Very ^{you} coming fast dear
soon!

I am afraid I
have been a little selfish
